

Mediscope International Ltd takes pride in the quality of products that we distribute. Our success is driven through the representation of trusted brands and the highest quality equipment and consumables across the Medical and Laboratory sectors.

- General Consumables
- Glassware
- Liquid Handling equipment & accessories
- Automated liquid handling consumables
- Storage
- Filtration
- Benchtop Equipment
- PPE
- Chemicals

- Agar Preparation
- Petri-dish filling units
- Flame steriliser

- Embedding Cassettes and Accessories
- Section Dryers & Ovens
- Cold Plates
- Block Trimmers
- Heating Forceps and Tampers
- Microtome Blades and Accessories
- Reagents & Fixatives
- Drying Hot Plates
- Wax Dispensers
- Transport & Archiving
- Slides & Coverslips
- Filtration Systems
- Cytology Products

- Primary Antibodies
- IHC Detection Systems
- Buffers
- Chromogens
- Special Stains
- FITC Antibodies
- CF488
- Antigen Retrieval

- ELISA Automation
- Multiplex Technology

- Thermal Cycler
- Electrophoresis
- Gel Documentation
- Plate Sealer
- Centrifuges

- Blood Collection tubes
- Needles and Syringes
- Tourniquets

- Cell Counters
- Liquid handling
- Centrifugation equipment
- Agitation equipment
- Constant Temperature Equipment

- CLIA
- ELISA
- RT-PCR
- Blood Screening
- Tropical Disease
- Hepatitis
- TORCH
- COVID-19
- Serology
- Autoimmunity
- Transplantation

GENESIS BPS™

- Tube Sealer
- Blood Collection Mixer
- Blood collection monitor
- Centrifuge Balance
- Plasma Expressor

hanil

- Micro Centrifuges
- Ultra Centrifuge
- High Speed Centrifuge
- Multi purpose Centrifuges
- Large Capacity Centrifuges
- Clinical Centrifuges
- Low Speed Centrifuges
- Industrial Centrifuges
- Centrifugal Vacuum Concentrators
- Freeze Dryer & Cold Trap
- Gas Purging Evaporation Concentrators
- Laboratory Fermentors
- CO2 Incubators
- Upright Deep Freezers & Accessories

Heathrow Scientific

- Laboratory Equipment
- Microbiology
- Liquid Handling
- Racks
- Safety
- Sample Collection
- Sample Handling
- Sealing & Labelling
- Slide Storage & Accessories
- Storage Dispensers
- Tube Storage
- Tube & Vials
- Workstation Essentials

INVITEK
Molecular

- Genetic Testing
- Infectious Disease
- Life Science
- Microbiome
- Oncology
- PCR & RT-PCR reagents

KLAB
Keen Innovative Solutions

- Microvolume Spectrophotometry
- Microplate reader
- Water Quality Analyser
- UV Spectrophotometry

SUPERIOR
MARIENFELD

- Microscope slides and Accessories
- Volumetric Glassware
- Laboratory containers
- Stands and Accessories
- Blood testing products

Motic®

- Compound Microscope
- Stereo Microscope
- Industrial Microscope
- Digital Pathology Microscope
- Microscope Cameras & Monitors

mwe

- Liquid Specimen Collection
- Gel Specimen Collection
- Viral Specimen Collection
- Bacteria Specimen Collection
- Dry Swabs

NORGEN
BIOTEK  CORP.

- Nucleic Acid Extraction
- Nucleic Acid Purification
- Protein Purification
- Exosome Purification
- Liquid Biopsy
- Sample Collection & Preservation
- Molecular Diagnostics
- PCR reagents

omega
BIO-TEK

- Nucleic Acid Extraction
- Nucleic Acid Clean up
- Plasmid Purification
- High throughput Nucleic Acid Extraction
- NGS Clean up
- Buffers & Reagents

OXFORD
LAB PRODUCTS USA

- General Consumables
- Pipettors
- Centrifuges
- Shakers
- Digital Single & Multichannel
- Rollers
- Rotators
- Single & Multichannel Pipettors
- Stirrers
- Vortex Mixers
- Liquid Handling

slee solutions
for pathology

- Tissue Processor
- Embedding centre
- Microtomes
- Cryostats
- Waterbath & Slide Warmer
- Staining Systems
- Coverslipper
- Cytocentrifuges
- Cassette and Slide Printers

Sorenson™
BioScience, Inc.

- Filter pipette tips
- PCR Plates
- PCR Tubes
- Microcentrifuge tubes

Thermoline
SCIENTIFIC

- Ovens
- Incubators
- Plant Growth Chambers
- Dry Block Heaters
- Waterbath
- Balance
- Biological Safety Cabinets
